

# *Nagorno Karabagh Silver Coins*

In order to let the World know about the Nagorno Karabagh and her struggle for recognition, the Central Bank of Stepanavan issued two Banknotes last year, which were distributed and sold worldwide to collectors and enthusiasts. (Let us know if you do not have these commemorative banknotes).

This year, a set of six 1-oz silver coins depicting the Kings of Armenia will be minted, with the official Coat of Arms of Karabagh, 1000 Dram Nominal Value, and will be sold worldwide.

We have received the first two coins (King Artashes and Tigran the Great), and offer them with this Bulletin. Two more (King Artavazd and King Trtad) will be available end of August, and the final two by the year end.

The quantity minted is believed to be 100 sets only, thus we will appreciate your early order and commitment for the next 4 coins. **SUBJECT AVAILABILITY. NO GUARANTEE.**
